WE BELIEVE IN PEOPLE

We believe inside every human soul is the power to do amazing things. Our innovative IT training and certifications teach and certify real-world skills that maximize the potential of each person. People with TestOut Pro Certifications have the opportunity to work hard, show their determination and develop an inner drive to become their best. Through our certifications, individuals prove their skills and abilities rather than simply recite terms and definitions. To demonstrate our confidence in them and the training they have received, TestOut Corporation will back them with a Skills Guarantee. If you find that they do not possess the IT skills which we have certified under the applicable Pro Certification, we will pay your company up to **$1,000**. For further details and terms and conditions regarding this offer, go to **TestOut.com/SkillsGuarantee.**
